In the above letter, the President reports that there are two lepers at Sagar, whose removal to the Bangalore Leper Asylum has been recommended by the Assistant Surgeon in charge of the health of the local public. The Senior Surgeon having informed him that

that the travelling expenses of those lepers could not be met from the Medical Budget, the President proposes to debit the cost (about Rs 60/-) to the Budget of the Cuttack Municipality.

Both it is submitted that the item seems to be one which cannot be debited to Municipal Funds. With regard to the interment of deceased paupers, there is an order* recorded that the charge should be met from Provincial Funds & that the Municipal Board of Mysore should be relieved of the charge. General and Revenue Department

Sir,

I have the honour to state that there are two lepers at Sagar whose removal to the Bangalore Leper Asylum has been recommended by the Assistant Surgeon there, in the interest of the health of the local public. To meet the cost of their removal to Bangalore the Senior Surgeon was addressed to supply funds but he informs (vide his No. 122 dated 22.12.3, copy enclosed) that there is no provision

in the Medical Budget and desires the undersigned to meet the cost thereon.

The lepers, it is reported, are unable to walk the distance to Bangalore and that about Rs 16/= will be required to meet their travelling expenses.

There is a provision of Rs 477/= under head IX Charitable grants of the Municipal Budget of Sagar Town and I request that Government sanction may be obtained for meeting the said charges from it. As the removal of the lepers at an early date is desirable in the interests of public health early orders are solicited.

I have the honour to be,
Sir,
